TRAVEL RESTRICTION NOTICE

As a condition of supervision, your travels are restricted to the geographic area outlined in the map below.

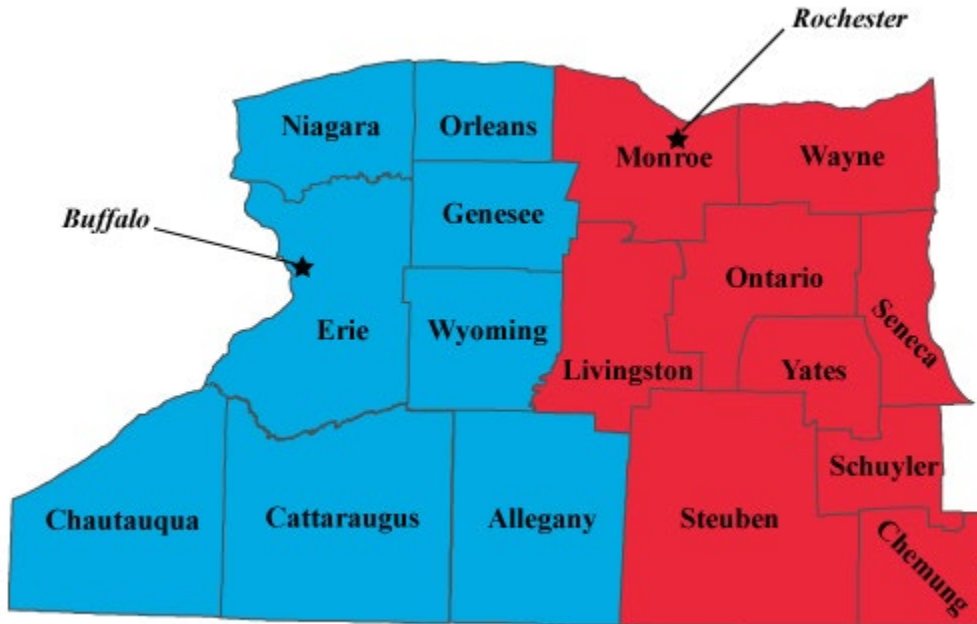

Travel outside of the restricted area requires the prior approval of the probation officer and/or the Court.

No travel will be approved during the first 60 days of supervision.

A written request for travel must be submitted to the U.S. Probation Office 14 days prior to domestic travel or 60 days prior to international travel.

Verbal or signed permission must be granted from the probation officer before you can travel outside of this restricted geographical area.

By receipt of this notice, I acknowledge and understand the above restriction.

Signed _____ Date _____

"We will deliver the highest quality services recognized nationally, by creating an environment of respect, support and leadership that inspires cooperation and innovation"
